cases of such, "Cold in the Head,"
"Tyzma, and Catarrhal Headache."

"Untold Agony from Catarrh."

Prof. W. HADINGER, the famous mesmerist,
of Utica, N. Y., writes: "Some ten years ago I
suffered from a severe chronic nasal catarrh.
My family physician gave me up as
incorrigible, and said I must die. My wife was
such a bad cook, and because so lame, I could
hardly speak above a whisper. In the morning
my coughing and clearing of my throat would
almost strangle me. By the use of Dr. Sage's
Catarrh Remedy, in due time, I was a well
man, and the catarrh has been permanent."

"Constantly Hawking and Spitting."

THOMAS J. BUSHING, Esq., 2202 Pine Street,
St. Louis, Mo., writes: "I was a great sufferer
from catarrh for three years. After a long
interval of time, I constantly hawking and spitting, and for the last eight months could
not breathe through the nostrils. I thought
nothing could save me, but death. I was
advised to use Dr. Sage's Catarrh Remedy, and
I am now a well man. I believe it to be the
only sure remedy for a catarrh, now manu-
factured, and one has only to give it a trial to
experience astounding results and a permanent
cure."
